

Glen Ogilvie Public School: Direct Donation Program 2007-2008

WHAT IS THE DIRECT DONATION PROGRAM?

Each year the Glen Ogilvie School Council offers a variety of fundraising options for parents to help the school expand and improve the education experience for all of our children. One of these is the Direct Donation Program. This program has two main advantages for families:

- 1) Instead of participating in the various fundraising activities during the year, it gives you, the parents, an option to contribute in a meaningful way. Of course, we appreciate any and all funds we do receive.
- 2) Tax receipts will be issued by the Ottawa – Carleton District School Board.

***With direct donations, 100%
of your tax deductible
donation goes to Glen Ogilvie
School.***

PRIORITIES FOR 2007/2008

As you are aware, need far outstrips the resources available.

This year Glen Ogilvie staff members have identified the following as areas of priority:

- **General Fund**
 - Numeracy (supporting Math Programs, e.g. math workbooks)
 - Literacy (supporting Guided Reading Programs)
 - Library Resources
- **A Laminating Machine (\$2,500):** The existing machine has just broken and must be replaced. It is a piece of equipment that the teachers use on a regular basis to encase classroom resources and schoolwork in a protective plastic wrap.

While any amount is welcome, those donating \$100 or more will be given the choice of having their names displayed on a plaque in the school. If you choose not to have your name displayed, your wishes will be respected.

DONATION INFORMATION

Please complete and tear off this section and send it to the school along with your cheque (made payable to Glen Ogilvie School) by Friday, November 30, 2008. Cheques arriving after this date will result in a delay in receiving a tax receipt.
